The image is a composite advertisement. On the left, a screenshot of an Internet Download Manager error dialog box is shown with a large red 'X' over it. The error text reads: "Internet Download Manager has been registered with a fake Serial Number or the Serial Number has been blocked. Be aware that the cracked product may work incorrectly and download files with errors. Thus we advise you to purchase the full-featured product." In the center, a screenshot of the IDM 6.30 software interface is shown with a red box highlighting the 'Cracked by' field, which contains the text 'Crackingpatching.com'. A large red 'X' is also placed over this screenshot. In the top right corner, there is a 3D graphic of a globe with a rainbow-colored ring and a green arrow pointing towards it. At the bottom, there are two green text elements: 'IDM crack (official license) without patch / fake key' on the left and '+ 1 Gift' on the right.
